WHO ARE WE?

The Dover Public Education Foundation, Inc. is a group of interested citizens that represent a cross section of business and community leaders, parents, grandparents, and educators who are committed to excellence in public education. The Dover Public Education Foundation, DPEF, is a non-profit charity that is chartered by the State of Arkansas and approved by the IRS as a 501(c) 3 tax-exempt organization. OUR MISSION STATEMENT

The focus of the Foundation will be to assist the Dover School District with non-funded budget considerations and other related projects for classrooms; the athletic department; the music department; the art department; and various schools' technology improvements.
